Dear Parents,

GUESS WHAT? WE HAVE SOME EXCITING IDEAS FOR YOU TO ENJOY THIS SUMMER BREAK.

Holiday! Just the word excites and overwhelms a child. A child loves holidays. But holidays don't necessarily mean just rest & play. No, we're going to engage our children with certain responsibilities and also help them to enjoy their holidays with fun-filled activities which will lead to the enhancement of their creativity and artistic expressions..

Dear students,

You can take advantage of this extended time off school to think about animals, neighbours and community members. Here are some ideas for meaningful ways to reach out to those who need a hand.
