

Holiday Homework (2018-19)

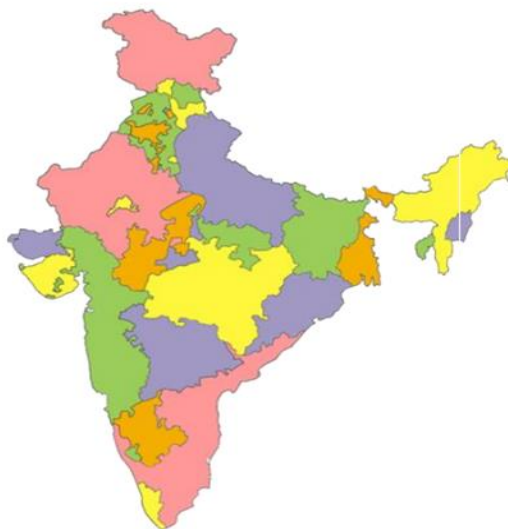

Class IV

SOCIAL SCIENCE

Note: Do any one out of A and B.

(A)

- Take 5-6 political maps of India. Use one map each for along with their capital cities:
 - Six neighbouring countries of India
 - Four north-eastern states
 - Three southern states
 - Two states of central India
 - Two northern states
 - Two western states
- Paste each map on an A-4 size sheet and list at 1-2 famous things/ important landmarks/monuments/art forms/etc of any two states marked out in each of the maps.
- Join the sheets and make a simple runner folder with your name, class and section.

(B)

In case you go outside Delhi and visit other places during the holidays, prepare a **travelogue** giving an account of your trip or journey. The travelogue should include the following details:

- Names of places visited/destinations along with travel dates (Travel tickets to be pasted)
- People you travelled with
- A small paragraph describing the geographical aspect of the place(s) visited. Also what the place is famous for. Locate the place(s) on a relevant map.
- Write about the interesting spots you visited during your stay, the cuisine, activities you enjoyed over there and so on. Paste pictures to make your presentation attractive
- Present your work in a folder with A-4 size sheets. Make sure to paste your travel tickets and a map with the places located clearly. You can also paste photographs and drawings to make your presentation interesting.

IT

- Write five points which human beings can learn from a Computer.
- Draw / Stick pictures of Hardware ,Software and storage devices on A3 size sheet.
- Draw these colourful pictures in Tux Paint and take prints of them.

Maths

Ques 1) The number 45 is truly awesome. To get 45, you can add $1+2+3+4+5+6+7+8+9$. (Try it) You can also add other consecutive numbers to get 45. Find four ways to make a sum of 45 with consecutive numbers.

2 numbers : _____ + _____ = 45

3 numbers : _____ + _____ + _____ = 45

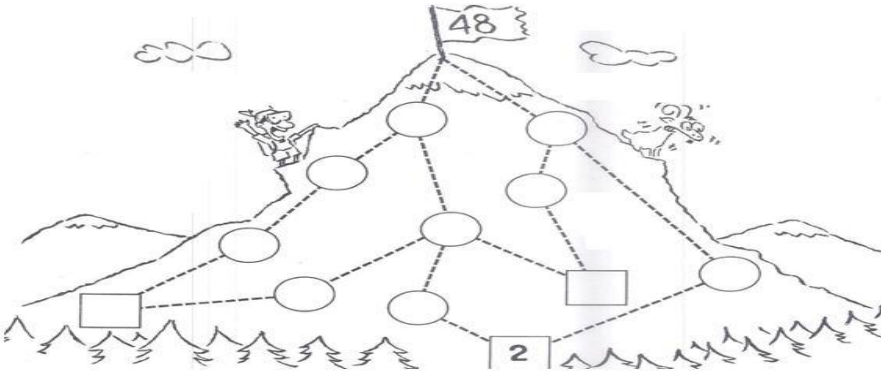

4 numbers : _____ + _____ + _____ + _____ = 45

5 numbers : _____ + _____ + _____ + _____ + _____ = 45

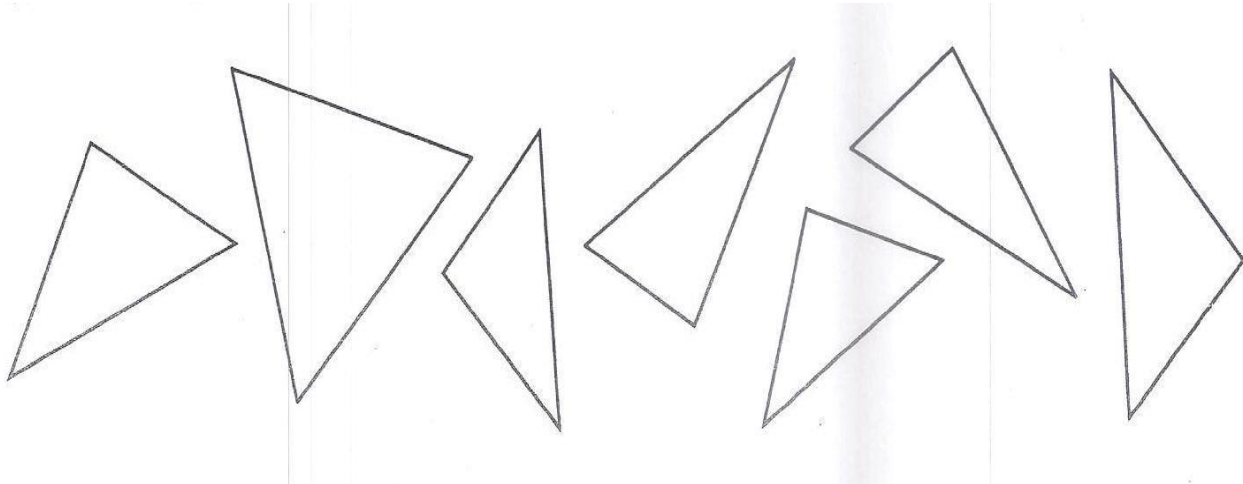

Ques 2) Place the even numbers from 2 to 24 on the mountain trails. Follow the rules given below:

- Use each number only once.
- The numbers on each of the six trails must add up to 48. (Three trails have four numbers. Three trails have three numbers.)

- Always start from a square at the bottom of the mountain and do not backtrack down the mountain.

Ques 3) Cut out the seven triangles given below. Can you form a Square using these pieces? Form it and paste it below.

English

- 1) Sow a seed (any seed) in the soil, water it regularly. Observe it weekly and record the development in your own words. Also write a paragraph in about 80 words on your feelings like how you felt when it grew into small plant.
- 2) Make a collage with pictures of places you visited during your summer vacation. Share your experience in about 100-120 words.(Use an A3 sheet-loose practical file sheets/chart for the collage and A4 sheets to write about your experience).
- 3) Do the following exercises in Communicate in English (Literature):

Ch-1- Ex-L, M,N Ch-2 Ex-J,K,L Ch-3- Ex- L,M(Ex-L to be written in rough notebook)

Revise Full Grammar Syllabus covered till May.

HINDI

निम्नलिखित प्रश्नों पर 4 या 5 पंक्तियों में उत्तर दीजिए।

- 'संस्कृत भाषा में संस्कृत लिपि लिखने के लिए 'संस्कृत लिपि' का प्रयोग किया जाता है।
- संस्कृत में संस्कृत में लिखने के लिए 'संस्कृत लिपि' का प्रयोग किया जाता है।
- संस्कृत
- संस्कृत में संस्कृत लिपि – संस्कृत लिपि में , संस्कृत लिपि लिखने के लिए 'संस्कृत लिपि' का प्रयोग किया जाता है।
- संस्कृत लिपि में संस्कृत लिपि 3 पंक्तियों (संस्कृत लिपि , संस्कृत लिपि , संस्कृत लिपि) में लिखने के लिए 'संस्कृत लिपि' का प्रयोग किया जाता है – संस्कृत A 4 लिपि में लिखने के लिए 'संस्कृत लिपि' का प्रयोग किया जाता है / संस्कृत लिपि
- Note – Do this work only on A 4 sheets .
